

EPW 1500 Machine Specifications

EPW 1500

Compact Pressure Washers

Say goodbye to your garden hose and hello to the future, The EPW 1500 pressure washer from GI Industries. This lightweight, compact electric pressure washer delivers more than 30 times as much pressure as your garden hose, making it the perfect tool for keeping your sidewalk, patio, driveway and deck clean of dirt and mud. A lot quieter than a gasoline pressure washer

The Compact pressure washer delivers the right amount of cleaning power for general household / commercial jobs in a compact, easy to use and convenient to store machine. The Variable spray wand allows for quick adjustment between low and high pressure without the need to switch nozzles. For stubborn stains, attach the Fast Water Injected Sandblasting adapter, to easily clean a wide variety of surfaces including all Hard Grime, Dirt and Graffiti.

Ideally suited for

HVAC Coils / Drains / Sidewalks / Machinery / Condos /Townhouses / Urban Neighbourhoods

Description of EPW 1500

The EPW 1500 is our compact pressure washer. This unit has variable pressure control (100-1450psi.) and 2.2 gpm. for quick efficient cleaning. Two multi-spray nozzles extensions, one straight and one 90° right angle for cleaning heavy-duty dirt indoors and out.
