

DCM 602 System Specifications

DCM 600 High Flow Commercial System

DCM 600 Advanced Technology to Clean All Ducts Efficiently and Effectively

GI Industries For All Your: - Chiller Tube Cleaners, Boiler Tube Cleaners, Industrial Vacuums, Commercial Pressure Washers, Descaling Systems.

Bespoke and Custom Systems by Request – DCM 600 Machine Has High Torque

The DCM 602 system is ultimate in duct cleaning. This system can clean any ductwork from flex, insulated, steel, round rectangle, etc. The brushing unit is made of a sturdy steel cabinet, 1/2hp. belt-driven reversible motor, 15' Handheld Power Controller, Heavy Duty Air Solenoid (for air flushing at brush head. Air Scrubber for use in situations like fire damage etc.

Our system is unique because the brushing unit breaks the static cling of the particles on the walls (ductwork) and compressed air comes out at the brush head to push the debris to the vacuum source.

This combination of Brushing and Air Flushing is thorough and will clean round and square ducts. Set the control to forward position and the brush will clean the right side of rectangle ducts. Put the unit in reverse and the left side of the duct is cleaned as well.

Specifications Of DCM 5000 Hepa Vacuum

Horsepower:	(2) 1/2 HP high-efficiency
Power Options:	110 V to 240 V
CFM:	5000
Negative Vacuum:	Extremely powerful
Air Flow:	High & continuous
Dual Purpose:	Long or short cleaning runs
HEPA Filter:	99.97%
Hazardous Debris:	Yes
Air Scrubber:	Yes, purifies the air after fire damage etc
Portable:	Yes, easily moved
Stair Climber:	Yes integral non marking
360° Wheels:	Yes non marking
Static Lift:	60 Inches
Filtration:	3 stage system
Weight:	125 pounds
Freight Weight:	195 pounds
Height:	58 Inches
Width:	24 x 24 Inches
Filters Included:	Large containment bag Pre-filters & Hepa filter

Contractor's Package 602:

DCM 600 Brushing Machine	x 1
Flexible Shaft 35' (FS535)	x 1
Flexible Shaft 50' (FS550)	x 1
Flexible Shaft Tool Kit	x 1
DCB 004 Duct Brush 4 Inch	x 1
DCB 008 Duct Brush 8 Inch	x 1
DCB 012 Duct Brush 12 Inch	x 1
DCB 014 Duct Brush 14 Inch	x 1
DCB 018 Duct Brush 18 Inch	x 1
DCB 024 Duct Brush 24 Inch	x 2
DCM 5000 Hepa Vacuum	x 1
Vacuum Tool Set Complete	x 1
Inflatable Duct Bag 10 – 19 Inch	x 1
Literature Set	x 1
